

Module specification

1. Factual information			
Module title	NC4203: Keeping Children Safe: Safeguarding and Child Protection		
Module tutor	Alex Morfaki	Level	4
Module type	Taught	Credit value	10
Mode of delivery	100% face-to-face		
Notional learning hours	100 notional hours, made up of: Lectures: 10 hours Guest speakers: 2 hours Workshops/Drop-Ins: 3 hours Independent study: 85 hours		

2. Rationale for the module and its links with other modules
<p>It is fundamental that early years practitioners are aware of legislative and statutory guidance for safeguarding and know what to do if they suspect a child is at risk of harm, as well as having knowledge of factors that might place children more at risk (ECSDN, 2021). While safeguarding principles will occur throughout modules, the core principles will be covered with students before they venture into placement, assessing them on their familiarity with the key policies and processes of safeguarding. This module is a pre-requisite for NC4202 Practice in the Early Years 1: The setting.</p>

3. Aims of the module
<p>Practitioners are instrumental in keeping children safe and protecting them from harm, a central tenet of the Childcare Act 2006. This module will help students to identify the signs and symptoms of child abuse alongside the key factors that might make children more vulnerable. As part of this, policy and procedure will be explored to develop understanding of these principles, with students recognising their roles both as students and as qualified practitioners in ensuring that children in their care are and feel safe.</p>

4. Pre-requisite modules or specified entry requirements
<p>Students must have passed the safeguarding multiple-choice test before attending setting placement.</p>

5. Is the module compensatable?
No.

6. Learning, teaching and assessment strategy for the module
Lectures Seminars Research-focused activities Collaborative group work Guest speakers

7. Intended learning outcomes <i>At the end of the module, learners will be expected to:</i>			
1. Demonstrate an understanding of safeguarding policy and procedure.			
2. Identify signs and symptoms of child abuse and factors that may make a child more vulnerable.			
3. Recognise the duty of the practitioner in keeping children safe.			
A: Knowledge and understanding	B: Cognitive skills	C: Practical and professional skills	D: Key transferable skills
A3	B1	C1; C2	D2

8. Indicative content <i>This should provide an overview of content over the number of weeks of module delivery</i>
Week 1: Definition of different types of abuse: signs and symptoms, short and long-term effects
Week 2: Legislation and policy underpinning Safeguarding and Child Protection
Week 3: Responsibilities as a practitioner and recognising the needs of children and families
Week 4: EYFS and Safeguarding
This module provides opportunities for you to evidence the Early Childhood Graduate Practitioner Competencies https://www.ecsdn.org/wp-content/uploads/2021/09/ECSDN-Booklet-Rev-July-2020.pdf .

9. Assessment
Assessment rationale

9. Assessment				
Students will be expected to write an essay, in response to a guidance excerpt , that demonstrates awareness of current legislation governing safeguarding and child protection and recognises the role of the early years practitioner in identifying abuse and factors making children vulnerable . They will be called to consider the actions that can be taken to protect children, support families, and prevent maltreatment.				
Assessment task/s	Weighting	Week submitted	Grading (Pass/Fail or %)	Module Learning Outcome(s) that the assessment task maps to
The assessment task is an essay responding and commenting on a government guidance statement. - 1000 words essay - Reference list	100%	T1, Week 6	%	All
