

Your at-a-glance guide to wearing the Norland uniform with pride

N

NORLAND

The **option 1 formal uniform** consists of a dress, a jacket (either style), a trench coat, a hat, gloves and an optional cardigan.

There is a distinction between winter and summer option 1 formal uniform through the changing of tights and glove colour:

Winter formal (from October half-term till the end of the second trimester): brown tights, brown gloves and coat. Trench coats should be buttoned and only worn with dark brown gloves and tights.

Summer formal (from the start of the third trimester to October half-term): 15-denier tights to suit the student's skin tone and white gloves. Trench coats and brown gloves may be worn in cold weather during the summer. Please note that only brown gloves may be worn with the trench coat.

The **option 2 formal uniform** consists of trousers (either style), a jacket (either style), a trench coat, a shirt, a tie and an optional cardigan. The option 2 uniform formal uniform remains the same throughout the year.

Photo displays an appropriate low bun style in line with official hair guidance.

Hats should be worn at all times when outside. Ensure the 'N' is central to your forehead. Fringes must not cover eyes. Hair must be worn off the collar in a neat low bun in line with the ears, using approved dark brown hairbands, hair-coloured slides or bun nets, or suitable protective styles; with no loose strands.

Piercings – only one pair of small plain stud earrings to be worn in the earlobe. Visible body piercings are not acceptable.

Blazer and coat jackets should always be buttoned when walking to and from campus.

Jewellery – plain wedding bands and/or inset engagement rings may be worn on campus but must be removed when working with children. Any stones in the ring must be flush to the band. No other jewellery is permitted.

Bags must be smart, brown or black with no obvious branding and should have a secure zip.

Shoes or ankle boots must be smart, plain brown or dark tan, flat or with a very low heel. Lace-ups and slip-ons are both acceptable. Shoes must be in good condition, cleaned and polished.

Uniform should be clean, ironed and laundered.
